CONTINUITY CREDITS – 2023/24 POLICY YEAR

At the June 2023 Board meeting the Directors considered whether a continuity credit distribution should be made. Having reviewed, current claims levels, likely claims trends along with the Association's overall financial year-end position, the Directors decided that there would be no continuity credit distribution for the policy year. Their decision however, does not affect the full fleet credit of 2.5% for this policy year which is maintained.

Yours faithfully
