ESTABLISHMENT OF UK DEFENCE EUROPE

We are pleased to advise that a subsidiary of the Club has been established in Cyprus. The subsidiary company is the United Kingdom Freight Demurrage and Defence Insurance (Europe) Limited ("UKDE"). UKDE has been established so that the Club is able seamlessly to continue to provide cover for its European Members post-Brexit.

UKDE is regulated by The Superintendent of Insurance in Cyprus and capitalised in accordance with the harmonised European regulations under Solvency II.

From the early Autumn European Members will have their contracts of insurance issued and approved by UKDE. If you have any underwriting questions please contact your normal underwriting representative. Claims advice and assistance will continue to be provided by your usual claims team.

The local office of UKDE is managed by Thomas Miller. The office contact details are set out below:
